

Professor. Dr. Md. Shafiul Alam

**MBBS, FCPS (Surgery), MS (Neurosurgery), FICS, FACS,
MRCPS(Glasgow)**

Professor

Department of Neurosurgery

National Institute of Neurosciences & Hospital

Dhaka-1207, Bangladesh.

E-Mail: dr_chapal@hotmail.com

Phone #0088-02-8080909

0088-01711567358

EDUCATION

MBBS

Ranpur Medical College, Bangladesh

FCPS (Surgery)

Bangladesh College of Surgeons & Physicians

FICS

International College of Surgeons

FACS

American College of Surgeons

MRCPS

Royal College of Surgeons & Physicians (Glasgow)

MEDICAL LICENSES

Bangladesh Medical & Dental Council.

No. A25679

Year – 1996

OTHERS QUALIFICATION

- Treasurer, Bangladesh Society of Neurosurgeons
- Life member, Neurospine Society of Bangladesh
- Life Member, Bangladesh Spine Society
- Life Member, Society of Surgeons of Bangladesh
- Member, World Federation of Neurological surgeons
- Member, Bangladesh Medical Association

TRAINING

Trained in Neuroendoscopy, Japan

Advanced training in Spine, India

Advanced training in Gamma Knife Neurosurgery, Singapore

CONGRESS & CONFERENCE ATTENDED

More than 50 National & International Conference

More than 10 Scientific Paper presentations

PUBLICATION :

SL. No.	Title	National/ International	Original/ Review	Authorship	Reference
1	Management of Traumatic Brain Injury: A review Update	National	Review	Co-author	JShSMC V: 6(2), p 87-89
2	Comparison of Surgical and Conservative Treatment of Spinal Tuberculosis at a Tertiary Care Hospital in Dhaka City	National	Original	Principal author	BJNS V: 4(2), p
3	Evaluation of stabilization failure for Thoracolumber and Lumbosacral spine instabilities treated by transpedicular screws and rods	National	Original	Principal author	BJNS V: 5(1), p 3-7
4	Chondrosarcoma of the dorsal spine: a case study	National	Case report	Principal author	JSF V: 14(1), p 30-33
5	Etiological Factors of Extradural Haematoma: Experience of 80 Cases in Bangladesh	National	Original	Co-author	JSF V: 14(2), p 44-48
6	Patient Profiles of Pott s Diseases: Experience of 50 Cases in a Tertiary Care Hospital in Dhaka City	National	Original	Principal author	JNINS V: 2(2), p48-50
7	Changing Pattern of P and QRS Waves of Electrocardiogram among the Different Grades of Hypertensive Patient of Bangladesh	National	Original	Co-author	JCAMR V: 3(2), p 33-38
8	Primary bone tumour of the spine: Surgical treatment and histopathological analysis	National	Original	Principal author	BJNS V: 5(2), p 31-36
9	Outcome of Intracerebral Abscesses by Burr hole and Aspiration	National	Original	Co-author	BJNS V: 6(1), p 12-16
10	Outcome of Conservative Management of Traumatic Acute subdural Haematoma in relation to Underlying brain injury	National	Original	Co-author	BJNS V: 5(2), p 37-40
11	Socio-demographic Characteristics of Patients with Tuberculosis Spine in Bangladesh	National	Original	Principal author	BJID V: 3(1), p 3-5
12	Arterivinous Malformation (AVM) of Left Frontal Lobe: A Case Report	National	Case report	Co-author	JNINS V: 3(1), p 62-66
13	Surgical Outcome of Extradural Haematoma Associated with Parenchymal Injury	National	Original	Co-author	BJNS V: 6(2), p 43-46
14	Aneurysmal Bone Cyst of the Lumbar Spine: A Case Reprt	National	Case report	Principal author	BJNS V: 6(2), p 59-61
15	Impact of Vestibular Schwannomas on Cerebrospinal Fluid (CSF) Pathway	National	Original	Co-author	BJNS V: 56(1), p 17-21
16	Pedunculated Lipoma in the Lumbosacral Spine	National	Case report	Principal author	BJNS V: 7(1), p 24-26

17	Determination of Sensitivity and Specificity of Hoffmann's Sign in the Diagnosis of Patients with Compressive Cervical Myelopathy	National	Original	Co-author	BJNS V: 7(1), p 20-23
18	Outcome of Decompressive Craniectomy in Adult Patients with Severe Traumatic Brain Injury	National	Original	Co-author	BJNS V: 7(1), p 9-12
19	Comparative Analysis of the Surgical Outcome of Traumatic Acute Subdural Haematoma with Associated and not Associated Underlying Brain Injury	National	Original	Co-author	BJNS V: 6(2), p 47-50
20	Intramedullary Epidermoid Cyst of the dorsal spine: A case report	International	Case report	Principal author	JAMR&HS V: 3(9), p 7-12
21	Surgical Outcome of Extradural Haematoma Done Under Regional Scalp Block	International	Original	Co-author	IJMRP V: 3(5) p190-94
22	Surgical management of Tuberculosis of the Spine: A retrospective analysis of 127 cases	National	Original	Principal author	BJNS V: 7(2), p 56-59
23	Comparison between Early Surgical Outcome of Posterior Fossa Midline Tumors Causing Hydrocephalus in Children with and without Preoperative Insertion of Ventriculoperitoneal shunt	National	Original	Co-author	BJNS V: 7(2), p 40-45
24	Comparative study on the operative outcome of EDH done under Regional Scalp Block and under General Anesthesia	International	Original	Co-author	JMS&CR V: 6(12), p 127-131
25	Carotid body tumour with Hypoglossal nerve palsy: A case report	National	Case report	Co-author	BHJ V: 34(1), p 68-72
26	Intradural Spinal Lipoma of the Conus: A case report	National	Case report	Principal author	BJNS V: 8(2), p 112-114
27	Frontal Base Gliosarcoma Mimicking as Olfactory Groove Meningioma: A rare case report	National	Case report	Co-author	BJNS V: 8(2), p 108-111
28	Detection of Predictors of Hemorrhage in Patients with Cerebral Arteriovenous Malformation by Digital Subtraction Angiography	National	Original	Co-author	BJNS V: 8(2), p 87-92
29	Nerve Anastomosis-our Experience of Thirteen Cases	National	Original	Co-author	BJNS V: 9(1), p 3-38
30	Right Vertebral Artery Spontaneous AVF Mimicking as Spinal Extradural Tumour: A Case Report	National	Case report	Co-author	BJNS V: 9(1), p 69-74
31	Demographic Characteristics and Anatomical Location of Primary Spinal Cord Tumour Patients operated at a Referral Neuroscience Hospital in Dhaka City	National	Original	Principal author	JNINS V: 6(1), p 15-18

32	Reconstruction of the sphenoid Wing in A Patient with Sphenoid Wing Dysplasia in NF1: A Case Report	National	Case report	Co-author	BJNS V:9 (2), p
33	Starting Stereotactic Radiosurgery Facility in Bangladesh at Evercare Super specialty Hospital: An Initial Experience	International	Original Article	Co-author	AJO V:
34	Histopathological Pattern of Spinal Tumour: Experience of 57 cases in Bangladesh	National	Original Article	Principal author	BJNS V: 10(1), p 27-32
35	Schwannoma of the Left Iliohypogastric Nerve: A Case Report and Technical Consideration	International	Case report	Principal author	Archiv NN V:3(1), p 102-106
36	Challenge of Neurosurgical Practices during Covid-19 Pandemic	National	Original Article	Co-author	BJID V:7(S2), p S69-S71
37	CORRELATION BETWEEN PREOPERATIVE GCS SCORE AND POSTOPERATIVE OUTCOME IN TRAUMATIC ACUTE SUBDURAL HAEMATOMA	International	Original Article	Co-author	EJPMR V: 8(2), p 1-9
38	Outcome of Surgery of Vestibular Schwannomas in a Tertiary Care Hospital in Bangladesh	National	Original Article	Co-author	BJNS V: 10(2), p 175-181
39	Acute subdural empyema in the young COVID-19 patient- A case report	National	Case report	Co-author	BJNS V; 10(2), p 206-290
40	Endoscopic Transmaxillary orbitotomy for Cavernous Malformation: A Case Report with Technical Considerations	National	Case report	Co-author	BJNS V: 11(1), p 58-61
41	First Few Cases of Intracranial Schwannoma treated with LINAC-based Stereotactic Radiosurgery in Bangladesh	National	Case series	Co-author	JNINS V: 7(2), p 181-189
42	Microsurgical Management of Symptomatic Intracranial Arachnoid Cyst: Experience of 15 Cases	National	Original Article	Principle author	BJNS V; 11(1), p 13-17
43	Functional Hemispherotomy in a Patient with Rasmussen's Encephalitis: A Case Report	National	Case report	Co-author	BMRC Bulletin V: 48, p 71-75
44	Cerebral Mucormycosis in an Immunocompetent Patient: A Case Report	National	Case report	Co-author	BJNS V: 11(2), p 141-144
45	Epidemiologic Features and Surgical Treatment of Spontaneous Pyogenic Spondylodiscitis in Bangladesh	National	Original Article	Principle author	BJNS V: 11(2), p 64-69

46	Etiologic factors of Postoperative discitis in Lumber Spine: A Cross Sectional study	National	Original Article	Co-author	JBOS V: 37(1), p 15-18
47	Management of Postoperative Discitis Following Lumber Discectomy: Experience of 23 cases	National	Original Article	Principle author	BJNS V: 12(1), p 6-11
48	Drug-resistant Focal Epilepsy due to Focal Cortical Dysplasia: A Case Report	National	Case report	Principle author	BJNS V: 12(1), p 24-28
